COTTON SCORCHED BY A LIGHT FIRE

Department Called to Seed Cotton House of Arizona Egyptian Cotton Company

The seed cotton house of the Arizo little before noon with its contents As this is near the beginning of the perating season, there was little cot with Thousand Laughs, will not amount to more than \$1,790 \$1,200 on the building and \$500 on the contents. While the fire was in proress one load of cotton was brough ip. The fire department worked s comptly and actively that the only damage to the seed cotton house visisiness at the Elks show shop lastible from the outside was the destruc-

tion of the cupola. The fire is supposed to have orig sated from a match which had been bropped into the cotton at some stage before it was brought to the seed cot y heat. There have been three fire n the bouse this season and there vere seven hast season, but they were mickly extinguished by the company ire fighting plant. In this case though the fire was discovered in time it was where it could not b renched.

Manager Atha warns handlers a otton before it is brought in agains he carrying of matches by those wh eason a large number of parlo natches have been found in the cot on. They are supposed to have fal en out of the pockets of the pickers or the drivers. No smoking is alswed about the seed cotton house or nywhere else about the plant, as there is danger of fire.

The fire will not in the slightest delay operations about the plant, as there is another place where cotton nay be delivered
